Dear Ms. Franke:

I am pleased to inform you that I have recently introduced legislation that would make the Karner blue butterfly the official state butterfly of New York. Governor's Spitzer's office approached me regarding your idea for this new legislation and I thought that it was a great idea.

I commend you on taking the initiative to lobby in support of this issue and I admire your passion. To have that kind of conviction at your age is a sure sign that you will continue on a positive path throughout your life.

I appreciate your taking the time and energy to work on this project. If I can provide you with any further information or assistance on this or any other matter, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink that reads "Neil D. Breslin".
